## IN MEMORIUM

Freddy started working at Arbor Primary School in April 2004.

He started his work as a painter, but was always willing to try new things and help out where he could. Because he was such a friendly, hardworking person, he was made the assistant to the handyman. Nothing was too much for Freddy. He learnt how to tile, fix locks, weld and even do plumbing. When the handyman left Arbor, Freddy took over all the maintenance and became known to all as Freddy-fix-it.

A more humble, friendly, polite, hard worker, one could not find. In his own quiet way he had the most amazing sense of humour.

He became part of the Arbor family and will be sorely missed by his co-workers and all at Arbor.

## READATHON

“Books open the doors to discovery”

Arbor Primary will be having a Readathon week from 31 August—4 September 2009. At Arbor we encourage the children to read every day.

The last half an hour of each day the children will be given the opportunity to read in class. Each child will be given a book list where they will fill in the date and name of book. When they have finished reading a book, the parents or teacher must sign the list. There will be a competition to see which class reads the most books. Mrs Thomas and Miss Viljoen will keep a record and this will be displayed in the hall.

On Friday, 4 September the children can dress up as one of the characters from a book they have read. Prizes will be given to the best characters in each grade.

The participants must be able to explain what character they represent and tell the audience, in a few words, about the book read.

There will be an entrance fee of R5,00.

This money will be used to purchase new books or DVD's for the Media Centres.

We hope that all the children will take part in this fun activity. The children who are not participating in the “dress up” are expected to attend school in full school uniform.

## CONCERT

A very big thank you to all who supported our production of “Treasure Island”.

This year we received great reviews from the Grandparents who saw the production at Grandparents Day, and also from many “outsiders” who had been told about it.

Well done to the cast and teachers for putting on yet another “box office” winner.

## MINI WALK

Grade 3D—Mrs De Lange's class won the Mini Walk competition. They raised the most money as a class for the school.

As their prize they will be going to the movies to see "UP" and will then go for burgers and cooldrinks at the Spur in Kempton Park.

Well done 3D !

## GOVERNING BODY NEWS

The parents forum has organised two events for this term and we would like all parents' participation in these events.

The proceeds from these functions all go towards making Arbor an even better school. Please book for Saturday's Flink Drink evening. There are some awesome spot prizes to be won and an opportunity to see the lighter side of school life. Besides, I'm making my world famous Pea Soup for supper !

Regards,

E. Joubert

Governing Body Chairman
